- 21st Oct-Reception My Little Play Place**
- 22nd Oct- Whole School Harvest Assembly**
- 25th Oct- Nasal Flu Vaccinations**

Attendance of the Week

Key Stage One

Mrs Longmore's Class - 100%

Key Stage Two

Mr Pilling's Class - 100%

School Day

The school day starts at **8:45am**, and pupils will be in their classroom, ready to begin lessons at this time; therefore, pupils will be allowed on the school site with gates open from **8:35am**.

The morning register will be marked by **8:50am**. Pupils will receive a late mark if they are not in their classroom by this time. Pupils attending after this time will receive a mark to show that they were on site, but this will count as a late mark.

The morning register will close at **9:15am**. Pupils will receive a mark of absence if they do not attend school before this time.

Our full attendance policy is available to view on the school's website.

Year 6 France Residential

Just a reminder regarding France. Deposits to secure your child's place need to be with us by October half term. Thank you to those who have already paid their deposits. Once all deposits are in, we will be able to confirm the activities the children will be doing and let you know further information regarding the visit.

Reminder

Mrs Passey will be holding a parent information evening on **Monday 14th October**.

National Poetry Day

On Tuesday the whole school celebrated National Poetry day. We celebrated with an award winning children's poet 'James Carter' delivering zoom sessions to each key stage. The children listened to a variety of poems read by the poet. The children then took part in a question and answer workshop to assist them in developing their own poems. KS1 focussed on rhyming poems, lower KS2 concentrated on similes, whilst upper KS3 worked on cinquains. The children really enjoyed this and produced some truly remarkable work.

School Car Park

Recently we have been made aware of a couple of incidents in the school car park where traffic has not been able to flow causing disruptions for parents/carers and staff. Sadly these have resulted in arguments and foul language being used. This is not acceptable and something we do not wish our children to witness.

If in the event of this situation happening in the future where anti social behaviour is displayed and any parents /carers witness this then they have been advised by the police to log complaints online (non emergency) on the West Mercia Police website. The school will also be following the same procedure.

Math Challenge

On Friday, Mrs Weston took some year six pupils to a Maths Challenge at Wrekin College. Mrs Weston was so proud of their attitude, knowledge and impeccable behaviour. Well done all!

As a polite reminder please can we ensure that children do not bring toys/pencils or anything that may cause distraction during the school day. All necessary equipment will be provided for your child from the school. Thank you.

CAPTAIN'S CATCH UP

In preparation for their educational visit to RASF Cosford this week, Year 5 participated in an art activity inspired by the Blitz of WW2.
