## Year One Parent Phonics Workshop

Last week Year 1 invited parents in to watch their children take part in a Phonics lesson. Teachers worked with parents to model to them how we support their child with reading in school. We introduced them to special friends and Fred talk as well as Fred in your head to build fluency. Everyone thoroughly enjoyed the morning and we can't wait to see the children's and parents reading confidence build!

## Daycare and Preschool

Places will be available as of January 2025 for children aged 2, 3 and 4 years old. Please contact the main office or Stephanie Cox (nursery manager) for more information.

## MUFTI DAY 25TH OCTOBER

Children can come to school in their own clothes on Friday 25th October. Alcohol donations would be greatly appreciated for our stall at the Xmas Fayre.

## Year 6 Donald Visit

Year 6 received a visit from Donald Malone in school last Friday ( an explorer who has visited and worked all around the world - including Antarctica).

The children had the opportunity to learn about penguins, polar bears and albatross (ask the children about their wingspan!) and also completed some workshops looking at the bones and skin on different animals. The children were fantastically well behaved and were a credit to the school!

Well done to George in Year 4 who organised a fundraiser, selling cakes at his house to raise money for Dementia and Cancer. He completed this on Saturday raising a fantastic £145 which will be divided between the two charities.

## Year 6 Anti-Vaping Workshop

Year 6 had a great visit to Langley on Wednesday, where we learnt all about the dangers associated with vaping and how advertisements surrounding vapes can be very misleading.

We also talked about issues such as peer pressure and bullying when it comes to friendship groups and overcoming these barriers all through drama and acting!

## YEAR 3 Arthog Canoeing

This week, year 3 have had the opportunity to go canoeing. They worked as a team to build a super canoe and row around the water. They played lots of games in the water such as a scavenger hunt and races. They were even treated to a yummy hot chocolate as a reward for all of their hard work.

## Year 5 Parent Workshop

Thank you to all the parents and carers that attended our Year 5 workshop on Thursday. The children really enjoyed having you present and assisting them with their mosaics. Please see some of our fantastic work (large mosaic flowers) inspired by British artist Paul Cummins.

## REMINDER HARVEST DONATIONS

Just a quick reminder that we will still be accepting harvest donations until Tuesday 22nd October, when we will have our whole school harvest assembly. Thank you.
